Dear Mr. Ackerman:

In view of your kind contribution toward our Indian Peace Medal Fund, you may be interested to learn that we were very successful in securing sufficient funds to enable us to purchase every one of the twenty medals which we especially desired.

Our collection of Indian Peace medals is now a truly remarkable gathering, the like of which exists nowhere else in the world. The Society is, therefore, very appreciative of your loyal and generous assistance which has contributed to the fortunate result as outlined above.

Please allow me to add my own personal thanks to those of the Society, and believe me,

Yours very gratefully,

President

Thank you very much for your courtesy in sending me a copy of #27 of the publications of the Society, which I was anxious to have to complete my files, as the copy which evidently was sent to me at the time the book was issued went astray in the mails as I never received it.

With appreciative thanks and best wishes for the New Year, I am

Sincerely yours,
